Profile

I am a versatile professional with experience in public policy, education administration, graphic design, web development, and creative media production. I enjoy learning new skills, taking on new challenges, and working in collaborative environments where I can contribute and grow. With a blend of analytical thinking and creativity, I focus on solving problems, building strong professional relationships, and delivering meaningful results. I am committed to continuous learning and look forward to using my diverse experience to create value and support organizational success.

Professional Experience

Project Associate to Additional Chief Secretary to Government Secretariat, Chennai

02/2025 – Present | Chennai

- Contributed to the formulation of the **Tamil Nadu State Education Policy** by coordinating policy inputs and stakeholder recommendations. Assisted in the documentation, review, and design of the final policy publication.
- Assisted in the preparation of the **Government Policy Note** of the School Education Department for **2025–26**, including the compilation and consolidation of inputs from all Directorates. Also supported the drafting of **Government announcements and policy briefs relating to key educational initiatives**.
- Coordinated with **SCERT, curriculum committees**, and subject experts in revising the State curriculum in alignment with the **Tamil Nadu State Education Policy**. Supported the development of subject-wise and class-wise curriculum frameworks leading to textbook revision.
- Assisted in the planning and coordination of the **Chennai International Book Fair** in collaboration with the **Directorate of Public Libraries**. Supported documentation, preparation of briefing notes, and departmental participation in official events.
- Contributed to the compilation and validation of the **School Education Department's Five Years' Achievement Report (2021–2026)**. Assisted in documenting flagship schemes, key reforms, and measurable outcomes across the State.
- Assisted in the preparation and monitoring of **School Education Department inputs** relating to **Government manifesto commitments**. Supported the consolidation of progress reports and policy proposals for effective implementation.
- Participated in the preparation of the **Vetri Tamilagam Vision Plan** by consolidating strategic priorities across all wings of the **School Education Department**. Assisted in developing targets and roadmaps to strengthen educational access, quality, equity, and future readiness.

- Provided **policy** and **administrative support** to the Office of the **Additional Chief Secretary** through the preparation of briefing notes, concept papers, and presentations. Also assisted in drafting agenda notes, minutes of meetings, and other official communications for key departmental initiatives. This version provides two concise yet detailed sentences for each assignment, making it appropriate for a government profile, note, or service record.

Control Command Center, DPI Campus

02/2024 – 02/2025

Regional Coordinator

- Provided strategic leadership and operational guidance to a network of **1,200+ Administrator-cum-Instructors (AIs)** across **Tiruvannamalai Region**, covering **Cuddalore, Kallakurichi, Mayiladuthurai, Tiruvannamalai, and Villupuram Districts**, ensuring uniform programme implementation and performance alignment.
- Facilitated **100+ structured knowledge transfer sessions** for AIs on web and mobile application modules of the Education Management System, improving system adoption and digital compliance rates across districts.
- Served as the primary escalation point for **EMIS and UDISE+ related queries**, delivering prompt and accurate resolutions to district officials and AIs, reducing issue turnaround time by **30–40%**.
- Conducted **weekly performance review calls** with AIs (50+ annually), tracking progress, identifying implementation gaps, and ensuring **95%+ timely task completion** across districts.
- Designed and developed comprehensive training resources, including **PowerPoint presentations, facilitator guides, SOPs, and evaluation tools**, standardizing capacity-building efforts across five districts.
- Collaborated with the EMIS team on **large-scale data validation, data cleaning, and process re-engineering initiatives**, improving data accuracy, strengthening repository integrity, and supporting evidence-based educational planning.

Tamil Nadu Education Fellowship

03/2023 – 02/2024

Samagra Shiksha, kanchipuram

- Supported District Officials in planning and implementing **15+ education programmes annually**, contributing to improved coordination and timely execution across Blocks and Educational Districts.
- Coordinated and facilitated **50+ Progress Review Meetings per year**, ensuring 90%+ compliance in action-point follow-ups and strengthening administrative accountability.
- Documented **100+ training sessions, field visits, and district events**, producing structured reports that improved transparency and policy tracking.
- Designed **200+ creative communication materials** (posters, logos, banners, IEC content), enhancing programme visibility and increasing stakeholder engagement across schools and communities.
- Developed and managed district magazine publications reaching **10,000+ stakeholders**, while handling official social media platforms that improved digital engagement by **30–40%**.
- Created and edited **75+ awareness and training videos**, supporting capacity-building initiatives and expanding outreach through digital dissemination.
- Performed advanced data analysis in Microsoft Excel, managing datasets of **25,000+ student records**, generating dashboards and analytical reports that enabled evidence-based decision-making at district level.

UI/UX Designer

01/2021 – 03/2023 | Chennai

Jeevisoft IT Solutions

- Designed and delivered **200+ high-quality digital and print creatives**, including marketing collateral, branding assets, and promotional materials for diverse clients and campaigns.

- Designed and developed **5 fully functional company websites**, improving online visibility, user engagement, and digital presence.
- Created structured and comprehensive **course materials for Academy Resources**, including instructional content, presentations, and learner support documents.
- Managed and optimized multiple **social media platforms**, strengthening brand engagement, improving audience reach, and maintaining consistent digital communication strategies.
- Conceptualized, scripted, and produced **branding and promotional videos for logistics companies**, enhancing corporate identity and market positioning.
- Implemented **SEO (Search Engine Optimization) strategies for startups**, improving search rankings, increasing organic traffic, and strengthening digital brand visibility.
